

As the pedagogical structure of Escola Básica e Secundária de Canelas, the Library's mission is to support the teaching and learning process, to promote reading, information literacy and a taste for lifelong library attendance in order to train critical thinkers, responsible citizens, effective users of information, with autonomous lifelong learning capabilities, in a constant search for excellence in the services and resources it offers. To this end it provides the entire school and educational community with physical and virtual access to information and a range of services, based on equality and freedom of access.

EBS DE CANELAS

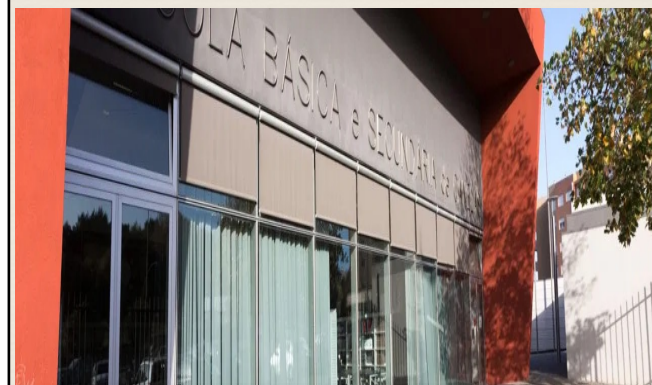

It's a state school sited in Canelas, Vila Nova de Gaia, which is a city in Porto district. Porto is the second largest city in the country, situated on the north-west coast of Portugal.
